The Fine Print:

By completing and signing this form, I signify my willingness to assemble, as convenient, with a group of crusty old men, who because of age and past experiences are skeptical of any club which proclaims high ideals and strict rules of attendance. I will participate to at least minimum standards in the club's fundraising activities and will pay my semi annual dues on time. I will be just as obstinate and unruly as the rest of the gang. I may or may not join in the work projects as the mood strikes me. I understand the main objective of the club is to enjoy our times together, lend a hand when we can to those less fortunate, and to appreciate our differences.
